

CENTRAL INTELLIGENCE AGENCY  
WASHINGTON, D. C. 20505

20 February 1976

Mr. James W. Amende  
Electromagnetic Systems Laboratories  
Sunnyvale, California

Dear Mr. Amende:

I want to thank you for the most informative briefings and tours which you provided my staff and myself last week. I have a better grasp of the work you are doing as a result of your very lucid presentations. It was a pleasure to visit with you.

Very truly yours,

STATINTL
